UPDATE: PLEASE CHECK OUT THE NEW E-BAY STORE ADDITIONS!

Hi, Tom Henderson here, welcome to my website in progress. I'm excited to announce two new changes here. The first is the addition of an eBay store. Also, the photo-galleries you see here now will be completely redesigned for easier navigation and thorough item information. Onewalrus-Ink Web-Design is administering/designing here and many things are still in the works, such as item descriptions and pricing. But, eBay and Paypal are up and running!

{gallery}frontpage{/gallery}For the last several years I've been creating large fiberglass sculptures and displaying them in my front yard at 605 E. Willamette Ave. Colorado Springs, CO 80903. If you're in the area, drive by and have a look. There are several commissioned pieces scattered around town and a few at Hillside Gardens and Nursery. Larry Ash is the owner and his nursery is located at 1006 S. Institute Colorado Springs, 80903. (719-520-9463) Larry can negotiate prices for the pieces there.

I am aware that to commission a sculpture a drawing or model needs to be submitted and approved. I am anxious and up to the challenge. You can email me at mantisproduction@gmail.com or call me H: 719-473-1369 to give me the details of what you want and I'll get back to you ASAP. I especially encourage private foundations and government agencies.{gallery}frontpage2{/gallery}One of my goals is to have a line of small figurines posted and available for purchase by mid 2008. I promise you they won't be the usual cowboy/angel type of theme. I intend them to be humorous and outrageous almost to the extreme.

I look forward to hearing from you. Tom Henderson
